4. **Parish Matters**  
The Retiring Chairman (M Cordwell) reported that the retiring Council had continued in its aims to make improvements within the village during the last year and to resolve issues of concern, particularly in relation to speeding matters, parking, road condition (potholes) problems. However, despite continued efforts, any progress was met with great difficulty, due to financial restrictions in local government budgets.

He thanked Members and the Clerk for their continued support, and for assisting in various projects including the interactive signage, passive signage, planting of tyres, putting up of Christmas tree and lights, which was carried out at no cost to the village. This the Councillors did in their own time. He had decided not to stand at this election due to personal commitments now that his family had grown, but would still support the Members should they require any assistance with projects in the village.

Cllr Mrs Ridger thanked Mr Cordwell on behalf of the Parish Council.

Meeting closed at 7.10 pm.
